

agroSTAR
ALU

Type **Tipper**
 Volume **45 - 79 m³**
 Chassis **aluminium**
 Body **aluminium**
 Use **agricultural products - fertilizers -
 slaughterhouse waste - pallets -
 big bags**

WWW.STAS.BE/AGROSTAR

- ✓ Most stable construction thanks to:
 - Widest chassis on the market (1.400 mm)
 - Integrated tipping axle
 - Reinforced cross member box section
 - Well-integrated cylinder clamps

- ✓ Premium aluminium quality (Endural®, Herkal, ...)
- ✓ Our own unique TOP design with the most optimal combination of lightness and strength
- ✓ Attention to detail and finishing
- ✓ Proven highest second-hand value in its class
